Leaving the Summit behind.

Ardmore Turas (Pilgrim Climb) Slemish 14th October 2012

Pilgrims at Slemish Summit

The Ardmore Pastoral Council's first Turas in the Year of Faith at Slemish mountain was successfully completed by almost 50 Ardmore parishioners accompanied by parishioners from neighbouring parishes.

We began with a short prayer service at the foot of the mountain and again held a short prayer service at the summit. Before embarking on our journey homeward we had a well deserved picnic.

We have produced a photographic bulletin today with photos taken by Tony Crilly and one by Catherine Montgomery of the Slemish Turas. We all enjoyed the Turas experience.

Next Turas gathering will be at St Columbs Pk, Car Park Browning Drive on Saturday 10th November at 2pm. Crossing the Peace Bridge and re-crossing it again for a short prayer service at old foundations of St Brecans Church in the Park.

Further pics will be available soon on www.ardmoreparish.com
